

# **A VILLAGE** **It Takes**

The National Marshallese Community Coalition Leadership Summit will bring together leaders from the Marshallese community for a series of in-depth workshops aimed at enhancing leadership skills and organizational capacity.

The workshops will cover a range of topics, including Governance, Mission/Vision statements, Articles of Incorporation & Conflict of Interest, Grant writing & Fundraising, Culture Preservation Grant, Bylaws, 501c3 Application, and Team Building. Our goal is to provide valuable knowledge and tools that will empower leaders to effectively manage and grow their organizations.

The summit presents a unique opportunity to build bridges, extend attendees' network, forge new partnerships, and elevate and unify our voices as Marshallese leaders. Together, we can work towards a stronger, more connected community that is better equipped to address the challenges we face.
